

**State of Rhode Island  
Department of Mental Health, Retardation and Hospitals**

As part of May is Mental Health Month, Director Stenning visited the popular Atwells Avenue art gallery, Gallery Z, where each month they select a different non-profit as a partner to help raise awareness about an important cause. For the month of May, in honor of Mental Health Month, The Kent Center was selected.

## **State of Rhode Island Department of Mental Health, Retardation and Hospitals**

Through the use of the gallery's public art window, The Kent Center and Gallery Z helped raise awareness about mental illness, the importance of treatment and the hope of recovery.
